ORDER:

According to G.O.Ms.No.4037, Public (Services) dated 21.11.1949, no officer should be transferred from a station within the prescribed term for periodical transfers or where no such term has been prescribed, within a period of three years, save for exceptional reasons. The inferior servants of the Registration Department have been exempted from the operation of this order and raising the three years limit to five years in the case of the ministerial staff in that Department. The Board of Revenue has also asked for a similar exemption. As the circumstances stated by the Inspector-General of Registration and Board of Revenue are equally applicable to the low paid staff in the Industries Department. The Director of Industries and Commerce has recommended that a similar exemption may be granted to the ministerial and inferior staff in his Department. The Government accordingly direct that in the case of purely ministerial servants, the time limit of general transfer be raised from three to five years. No transfer of peons in the Industries Department need, however, be made at any periodical intervals and they may be retained in the same station.
